Attorneys for the United States of America

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION

UNITED STATES OF AMERICA, ) Case No. CR 08-0184 MAG

Plaintiff, )

v. )

NICK J. WHITAKER, )

Defendant. )

**DECLARATION OF TIMOTHY  
O'CONNELL IN SUPPORT OF  
UNITED STATES' MOTION FOR  
SUMMONS**

I, Timothy O'Connell, hereby declare as follows:

1. I am a law clerk in the United States Attorney's Office assigned to the prosecution of this case. I have received the following information from United States Park Police Officers employed by the Department of the Interior and from reports and other documents provided to me by the National Park Service.

2. On August 26, 2007, at approximately 12:34 p.m. United States Park Police Officer Halvorson ("Officer Halvorson") smelled the odor of burnt marijuana while on foot patrol near Battery Black Point, Fort Mason, in the Northern District of California.

3. Officer Halvorson saw a male subject, later identified as the defendant, Nick J. Whitaker

1 (“Whitaker” or “the defendant”). Officer Halvorson asked Whitaker if he had been smoking  
2 marijuana. Whitaker stated that he had not but that another person had been smoking marijuana  
3 and left the area. Whitaker was the only person Officer Halvorson observed in the area.

4 4. Officer Halvorson observed that Whitaker appeared to be clutching a box with both his  
5 hands in a large, front sweatshirt pocket. Officer Halvorson asked again if the defendant had  
6 been smoking marijuana, and Whitaker replied, “No, I was smoking crack.”

7 5. Pursuant to the admission that the defendant was smoking crack, the suspicious clutching  
8 of a box in the sweatshirt pocket and the smell of burnt marijuana, Officer Halvorson detained  
9 Whitaker and searched his person.

10 6. In Whitaker’s front sweatshit pocket, Officer Halvorson found a clear plastic bag  
11 containing ten 2.5" x .25" strips of white paper and a glass stem pipe containing suspected  
12 narcotics residue. Identification Technician Rawles arrived on scene to assist Officer Halvorson.

13 7. Officer Halvorson asked Whitaker what the white strips of paper were, and Whitaker  
14 stated “I don’t know.” Officer Halvorson then informed the defendant that he would be testing  
15 the paper for Lysergic Acid Diethylamide (“LSD”). Officer Halvorson asked Whitaker a second  
16 time what the white strips of paper were, and Whitaker replied that they were “LSD.”

17 8. Officer Halvorson placed Whitaker under arrest for violating Title 21 of the United States  
18 Code Section 844 for possession of LSD. Officer Halvorson transported Whitaker to the 1217  
19 Ralston Avenue police station.

20 9. Officer Halvorson tested a portion of the suspected LSD using NIK test D. The test  
21 returned a presumptive positive result.

22 10. On October 16, 2007, the DEA’s Western Regional Lab tested the suspected LSD taken  
23 from Whitaker. The result was positive for the presence of LSD.
